Greetings of return

In pursuance to our letter dated 15.8.1994 No. MF/30/93 (Dr. Ahmad Tiby) I am to inform you that the comrade leader Abu Amar has instructed me to convey to you his desire for the construction of dwelling flats in the Arab Jerusalem and its suburbs in buildings of ten flats each or more in accordance with the Town Planning Law (authorized) and that for this purpose an amount of twelve million US dollars should be *assigned* and the project should not be registered in the name of the National Palestinian Authority lest it would attract reactions from the other party which will be difficult for us to solve. Therefore it shall be arranged as follows:

1. The comrade Dr. Ahmad Tiby shall be responsible for the setting of this commission with reliable people under his chairmanship.
2. There is no objection to the participation in this project of landlords who wish so.
3. An architectural tactic shall be followed whereby, if circumstances allow that, the same maps shall be used so that the building in all regions will be similar.
3. The moves of the commission should not attract any attention.

6 In accordance with the instructions of the comrade leader Abu Amar, and whereas it is mandatory to initiate a technological scientific activity in the Gaza Strip and West Bank on a desirable scientific level, it has been decided to bestow this function on the Minister of Planning and International Cooperation Dr. Nabil Sha'ath, since these are private and personal projects and they should not contradict the interests of the other party who could exploit them politically in international circles among the donors and the americans and thus may cause hard problems to the National Palestinian Authority. Therefore, the comrade leader Abu Ammar has decided to start as follows:

1. To found a technological architectural corporation having the required qualifications . It will start its activities first of all in the Gaza Strip and then shall go to the West Bank and the Arab villages and their suburbs.
2. The said corporation shall deal with instructing and counseling in the architectural and technological matters in the private and public sectors.

Greetings of return

Since the National Palestinian Authority , with the assistance of faithful palestinian elements, is building various assisting apparatus in view of strengthening the basis of the palestinian state to which all aspire with the help of God in our beloved homeland while concentrating on the holy Jerusalem in order to strengthen our position there and intensify our presence in an active and strong way;

And whereas we don't want to have this activity appear in the name of the National Palestinian Authority lest it would be exploited counter for political aims in international circles by the other party and consequently jeopardize the peace process and the good name of the Palestinian Authority in the international circles by the (missing word) and mainly the American administration;

Therefore the comrade leader has decided as follows:

1. To found a land corporation which will be sited in Jerusalem, which will purchase lands in East Jerusalem and in the Old City and only in the name of this corporation.
2. The capital of the corporation shall be fifteen million american dollars at the start.
3. The manager of chairman of the board will be Dr. Ahmad Tiby and the members of the Board will be the following:
 1. Bassam Tcdel Hameed Alsa'ih
 2. Haj Faiz tk'ubaidy
 3. Abd Abu Diyab
 4. The lawyer Ali Guzman
 5. Abdel Rauf Abu Assab (Abu Kaid)
 6. Haj Tewfik Abu Zahra

We stress that it is the desire of the comrade leader Abu Amar that the meetings of this group should be held secretly and its activities should not be noticed and it should keep its documents and registries away from the other party.

Respectfully
