

LET MY PEOPLE KNOW

Launching new UNRWA Investigation Film Studio,
to produce movies shot on location to document the
UNRWA culture which indoctrinates violence against Jews

UNRWA uses school plays, music, murals, arts and crafts,
to brainwash next generation for total war

That must stop.

Experts available: to present new films & new studies
In person or on zoom.

*How "The right of Return by force of arms" has become the motto of
UNRWA schools, run by the PA & funded by foreign nations

* Seeking people to reach out to each UNRWA funder to take
responsibility for such "education":

Germany, Sweden, the UK, Switzerland, Japan, Belgium, Italy.
Netherlands, Norway, Denmark, Canada and Australia and
possibly the US
