*Director*

Dear Friends,

As we approach Yom Kippur, I express appreciation for the support we have received to expose the lethal policies of UNRWA (United Nations Relief & Works Agency) and to offer a positive approach for UNRWA policy change.

We have achieved a great deal this year, but much remains to be done.

To that end, as the New Year begins, we launch a renewed campaign for UNRWA policy change on at 8pm Israel on October 8 in English and Oct 9 at 1pm Israel time (in Hebrew), at the Menachem Begin Heritage Center in Jerusalem.

Our efforts will focus on a core goal: to persuade UNRWA donors from around the world to aid UNRWA only on condition that the organization ceases its systematic incitement

UNRWA funds should instead be earmarked to assist descendants of the Arab refugees from 1948, who dominate UNRWA, to leave the indignity of 59 refugee camp life, once and for all.

After thirty-seven years of producing documented evidence of UNRWA incitement, this marks the first time that we work with someone whose family members were murdered in cold blood at by the products of UNRWA "education" — Rabbi Leo Dee, whose beloved wife Lucy and daughters Maia and Rina were slain by Arabs from the Askar UNRWA camp in a drive-by shooting on April 7.

Our new movie will document how UNRWA embraces the murderers of his family, in accordance with the Palestinian Authority law which provides an automatic salary for life for anyone who kills a Jew, with a clause that provides lifetime payout for the family of the murderer, if the killer dies as a Shahid (martyr).

The event will also feature the distinguished scholar Dr. Arnon Groiss, making a presentation on his 25 years of research into UNRWA education.

[Dr. Groiss has reviewed all 1,000 schoolbooks used by UNRWA and will discuss the current state of UNRWA education.](#)

The UNRWA embrace of those who kill Jews is played down by the media and not known to UNRWA donor nations.

Our immediate task is to highlight current UNRWA policy and offer an alternative; a campaign for an [UNRWA PEACE INITIATIVE](#)

We invite you to the free events on October 8/9, to attend in person or view the livestream on Zoom.
